Finding Church What If There Really Is Something More:

Finding Church Wayne Jacobsen, 2014-10-15 What if the church Jesus is building looks more like wildflowers strewn across an alpine meadow than a walled garden with manicured hedges If like many other people you have questioned whether there is something more to Jesus church than the religious institutions we've inherited after two thousand years you'll want to read *Finding Church* Here is straight talk from a man who has sought authentic New Testament community for more than fifty years and who has discovered it in the most unlikely places

Leaving the Church to Find God John Fenn, 2007-03 Motivated by a deep hunger for more of God millions of Christians are leaving the traditional church to look for more freedom and fulfillment than the routine of five songs announcements a plea for money and a forty five minute sermon allow They are looking for open ended deep worship that flows with the Holy Spirit relatable Bible study and discussion in which they may participate and strong bonds of fellowship outside the four walls of organized church Instead of leaving the church to fall away from God they are leaving the church to find God *Leaving the Church to Find God* offers scriptural safe and balanced answers tempered by real life experiences on how to move from a traditional church structure into meetings that allow the Lord to set the agenda and where needs are met John Fenn I was a Christian who felt disconnected from church though I'd been actively involved nearly all my life I was looking for answers to my desire and hunger for God to move freely and came to realize I wasn't alone From all walks of life and across the church spectrum people are searching for something deeper but they don't quite know what This is the story of how I found God moving outside the church structure that I had known loved and been a part of my whole Christian life John and his wife Barbara were born in Kokomo Indiana and began dating as teenagers when they met the Lord and began ministering to their teenage friends They've been in the ministry now for over thirty years serving in various capacities including Campus Pastor Associate Pastor Senior Pastor and advisor to churches and Bible schools all over the world John also worked with Peter Wagner teaching at the Wagner Leadership Institute serving as Canadian National Director and Education Advisor He remains an adjunct instructor of Wagner Leadership Institute of Colorado Springs In early 2002 John and his wife Barb founded The Church Without Walls International of Tulsa a house church network emphasizing Relationship Based Christianity He travels and teaches in all different streams of Christianity helping churches and individuals find significance and fulfillment through Godly relationships and the discipleship process

Simple, Generous, Open Charlotte Gale, 2024-11-06 This captivating narrative tells the remarkable journey of how a bold idea for a new church community deeply rooted in the Anglican tradition blossomed into a vibrant self-sustaining congregation and shop Seven years on it continues to thrive offering resources and inspiration to churches across the UK and beyond Written in an accessible honest and often humorous style *Simple Generous Open* tackles important themes such as pioneering mission church planting renewal sustainability and inclusion all set against the backdrop of growing concerns about church decline and financial challenges The story of St Clare's offers a

hopeful and practical example for churches striving to remain true to their Anglican heritage while adapting to contemporary needs **The Power of Love** Henry Drummond, 2019-04-21 This exceptional book covers the most important topics of

Drummond's interest: love, humility, sincerity, and honesty. It will certainly bring wisdom and blessing to its readers. The Collected Works of Henry Drummond Henry Drummond, 2022-11-13 In The Collected Works of Henry

Drummond, readers are presented with a comprehensive anthology of the writings of a pivotal figure in late 19th century thought encompassing themes of spirituality, science, and the human condition. Drummond's literary style is characterized by its eloquence and deep philosophical inquiry, seamlessly blending empirical reasoning with heartfelt emotion. This collection not only showcases his seminal work, *The Natural Law in the Spiritual World*, which elucidates the harmony between science and faith, but also includes essays and sermons that reflect his commitment to the social issues of his time, inviting readers into a rich conversation on morality and belief systems in a rapidly modernizing world. Henry Drummond (1851-1897) was a Scottish preacher, teacher, and author whose insights were shaped by both his religious upbringing and his scientific education. Influenced by the social challenges of his era, including industrialization and secularism, Drummond sought to explore how spiritual truths could coexist and complement scientific discoveries. His role in the Social Gospel movement further underscored his dedication to addressing societal woes, making his works not only spiritually enlightening but also socially relevant. This collected volume is an essential read for those interested in the intersection of faith, science, and ethics, appealing to scholars, theologians, and general readers alike. Drummond's profound insights continue to resonate, making this compilation a vital resource for understanding the evolution of modern thought and its implications for contemporary society.

The Oxford Movement in Practice George Herring, 2016 From its inception, what came to be known as the Oxford Movement was always intended to be more than just an abstruse dialogue about the theoretical nature of Anglicanism. Instead, it was meant to spread its ideas not only through college common rooms but also bishop's palaces and, above all, the parsonages of the Church of England. *The Oxford Movement in Practice* presents an analysis of Tractarianism in the generation after Newman's conversion to Roman Catholicism. While much scholarly work has been done on the Oxford Movement between 1833 and 1845 and on a number of specific individuals or aspects of the Movement after this period, this work adopts a different approach. It examines Tractarianism in the parochial setting and charts the development of the Movement through its influence on the parishes of the Church of England. George Herring offers a detailed explanation of the development of ritualism in the 1860s and shows how the Ritualists diverted the course the Movement had been taking from
