Returning to the Lakota Way Joseph M. Marshall, III, 2013-11-04 *Returning to the Lakota Way* immerses us once again in the world of the Lakota Sioux through the beautiful storytelling and deep insight of Joseph Marshall's writing. Relaying traditional tales that have been passed down over generations, Marshall takes us on an inspiring journey that will help us better understand the world around us and our place in it. The teaching stories found in each chapter provide lessons that open our eyes to universal qualities and practices passed down over many generations. From the hunting adventures of the raven and the wolf, we discover the importance of tolerance; the actions of the grasshopper highlight the value of patience; and the experiences of a young man named Walks Alone show us the benefit of silence and turning within. Speaking to these and other traits such as faith and selflessness, Marshall helps us see our own lives more clearly using time-honored tales interspersed with stories from his own life growing up on the Rosebud Sioux Indian Reservation in South Dakota. In his work, we find a clear example of how the wisdom of the past has relevance and meaning in the world of today. **The Last Word**

Samantha Hastings, 2019-07-09 Set against the smoky gaslit allure of Victorian London, this sweetly romantic historical debut is full of humor and stars a whip-smart female heroine ahead of her time. Where one story ends, another begins. 1861 Miss Lucinda Leavitt is shocked when she learns the author of her favorite serialized novel has died before completing the story. Determined to learn how it ends, Lucinda reluctantly enlists the help of her father's young business partner, Mr. David Randall, to track down the reclusive author's former whereabouts. David is a successful young businessman but is overwhelmed by his workload. He wants to prove himself to his late father as well as to himself. He doesn't have the time nor the interest for this endeavor, but Lucinda is not the type to take no for an answer. Their search for the elusive Mrs. Smith and the rightful ending to her novel leads Lucinda and David around the country, but the truths they discover about themselves and each other are anything but fictional. Chosen by readers like you for Macmillan's young adult imprint Swoon Reads, *The Last Word* by debut author Samantha Hastings is a fun yet intellectual romp through Victorian London, the perfect book for book lovers. Praise for *The Last Word*: A Junior Library Guild Selection, Witty, spirited and utterly swoon-worthy.
