that is sure to transform Canada's fire fighter education. This edition is designed for Canadian fire services that are transitioning their training to NFPA compliance or wish to align their training with recognized best practices. The Canadian Fourth Edition features exceptional content along with current research standards and technology including the latest research based data from UL Firefighter Safety Research Institute and the National Institute of Standards and Technology (NIST). This research explains the interrelationship between heat release rates, reduced time to flashover, and the dangers associated with fighting fires in modern lightweight constructed buildings. Foundational knowledge is covered extensively along with an orientation and history of Canada's fire service and extreme cold weather operations. The content in the Canadian Fourth Edition meets and exceeds the job performance requirements in the 2019 edition of NFPA 1001 Standard for Fire Fighter Professional Qualification including the requirements for operations level personnel in the 2017 Edition of NFPA 1072 Standard for Hazardous Materials Weapons of Mass Destruction Emergency Response Personnel Professional Qualifications and the 2018 Edition of NFPA 472 Standard for Competence of Responders to Hazardous Materials Weapons of Mass Destruction Incidents. New to the Canadian Fourth Edition: Five distinct sections: Fire fighter I, Fire fighter II, Hazardous Materials Awareness, Hazardous Materials Operations, Hazardous Materials Operations Mission Specific. A personal health and well-being section that addresses physical fitness, nutrition, hydration, sleep, heart disease, cancer, tobacco, alcohol, and illicit drugs, counseling, and stress management, and suicide awareness and prevention. The importance of respiratory protection and the use of air monitoring devices during salvage and overhaul operations. The need to perform field reduction of contaminants to remove dirt and debris from personal protective equipment before returning to the station. The basic principles of community risk reduction including the integration of emergency response, engineering, enforcement, education, and economic incentives as cohesive strategies to manage community risks. Critical fire suppression tactics including those used for concealed space fires, attic fires, buildings with solar photovoltaic systems, and chimney fires. Updated research and statistics to ensure evidence-based recommendations and protocols. The Canadian Fourth Edition Features Alerts to additional content available in Navigate 2. Thought provoking case studies. Detailed chapter summaries, key terms, and *Fundamentals of Firefighter Skills with Navigate Premier Access*, 2024-04-30. *Fundamentals of Firefighter Skills* Fifth Edition with Navigate Premier Access is the complete teaching and learning solution for Firefighter I and Firefighter II courses. *Fire Department Strategic Planning, 3rd Edition* Mark Wallace, 2021-04-01. From the author: This 3rd edition is about organized common sense in the fire service. Section One provides support to fire departments that already have a strategic plan and just need to update and revise their existing plan. I have found over my 30 years of consulting with fire department's that they want to accomplish their next iteration of their strategic plan as rapidly as possible. Section Two provides a detailed How to guide to help a fire department create its first strategic plan. Section Two is divided into four parts: 1 Understanding the Department, 2 Understanding the Situation, 3 Understanding the Strategic Issues Facing the Department,

and 4 Creating Organizational Change A new chapter Chapter 20 provides assistance to those departments having challenges with their strategic plan and obtaining the desired outcomes results It adds a new troubleshooting process for those departments having challenges to create an effective and successful strategic plan The book is designed to be effective as a manual to develop an individual fire department s strategic plan as well as a textbook for use in upper division college university courses or as a text for post graduate courses
