Fire Games Pyforial Mage Trilogy 1:

Fire Games (Pyforial Mage Trilogy B. T. Narro, 2014-09-01 Neeko's quiet evening is interrupted when a fire mage of the king's army comes to his door demanding hospitality for the night. She says war is beginning but this becomes the least of Neeko's concerns when an altercation erupts between his drunken father and the fire mage resulting in his home burned to the ground with his father buried beneath the rubble. His only justice? A redemption scroll payment for damages if Neeko can bring it to the king's master of coin in the capital before it expires. With the war of two kingdoms clashing amid towns the trek will be perilous but having a hidden talent for magic Neeko is not deterred. Especially so when he learns his recently acquired companion possessing her own redemption scroll knows the land better than anyone. She may have a few oddities like singing her thoughts and stashing weapons in occupied graves but Neeko would put up with worse to get to the capital in time. Now if only Neeko knew what really awaited at the capital. *Fire Magic* Stacey Keystone, 2022-10-22 Lauren Cooper has a secret. A secret that puts her life at risk by its very existence. To survive she needs to learn magic. Her very existence depends on it. To keep herself safe she needs to blend in, not stand out at her new high school. However, with the conflict with her classmates and Bron Delaney interfering, will she. *Games of Fire Trilogy* Autumn M. Birt, 2018-01-15 Success will destroy elemental magic. Failure condemns this world and the next. Pick up the award-winning series nominated for Best Book of 2017 and winner of Best Worldbuilding and enter a story described as brilliantly contrived and beautifully executed. It reminds us why we love the genre and this was pure magic and epic fantasy at its very best. Six months after a tragic war the world of Myrrah has found peace. But many of the heroes have not. When Zhao's reluctant homecoming sparks a battle over the fate of Elementals among his people, he calls on his friends for help, only to find they are busy with new problems of their own. And one has the potential to end all magic. For nearly destroying the world in an ancient war, the Ashanti were cursed by the Goddess Mhyrah with lifespans of less than a decade. To regain normal lives for his people, Beh Kana, the Ashanti King, will defy the traditions handed down since the dawn of time, even if that means rekindling an ancient feud, one that nearly destroyed the world before it fully began. His quest to conquer death and gain control of the source of all elemental magic, the spirit realm, threatens to burn the world to ashes. Lavinia did not seek to be named Guardian of the Spheres when she touched each to gain control of elemental power. But now that choice has propelled her to being the key to stopping the Ashanti. She controls the gates that allow magic into the world and she must close them to prevent the Ashanti from crossing into the spirit realm and gaining power beyond imagination enough to enslave or destroy the world they once sought to rule. But with the closure of each gate, an elemental power is lost, and those who stand against the Ashanti are less able to fight a threat that seeks control over life and death. Welcome back to the world of Myrrah, full of elemental magic and epic fantasy adventure. The fate of the world hangs in the balance, and the sacrifice to save it might be elemental magic. Discover this exhilarating tale that has received praise such as: It is the sort of read that reminds us how great fantasy can be.
