

VIDEO GAMES

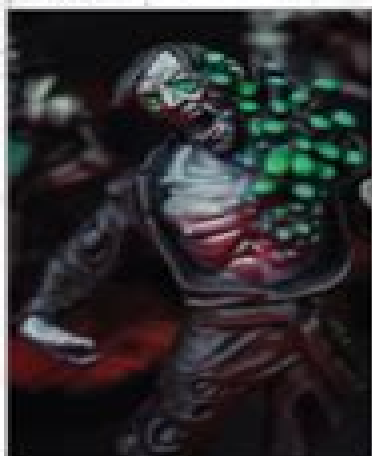

Video games are certainly a way to stimulate every imagination and get over that sense of reality. The world building work involved in these games becomes more and more involved in new video games. Games of games work on a level of art and vision to make the experience attractive. They are a lot of imagination when, the new, new old games through new models.

However, John Brown inspired a lot of my video work and one of my favorite artists of the video. The influence of John Brown's artistic style.

When painting, put down the highlights and shadows of the face, and try to keep them throughout the portrait. I like the idea of approaching painting as a whole rather than painting a portrait of a miniature in a face. Though even more is an overwhelming portrait. Using one perspective is as much a good and interesting way of imagining as painting one perspective, and it can help fight boredom and frustration.

The French artist, illustration Pierre Matisse, with his wonderful sense of color and form, was a huge inspiration to me for creating something unique, using form and pattern with bold colors and a strong, influential feeling.

Traditional art brings several key elements to my global understanding of what I want to be able to do, and how I plan on achieving it.
