International Astronomical Union. Symposium, 2009-04-16 The discovery of planets around stars other than the Sun within the past 15 years has opened up one of the largest and most exciting new fields in modern astronomy The transit method of detecting exoplanets has revealed more information about individual planets than any other method of detection This volume the proceedings of IAU Symposium 253 contains a description of the latest development in the field of transiting extrasolar planets Topical reviews and short contributions from more than one hundred authors present the latest results in the field from the photometric transit searches for transiting planets through observational studies of these planets to the consequences for theories of planet formation evolution and planetary atmospheres Presenting the latest research it is an important resource for graduate students and researchers working in astronomy and planetary sciences *Cambus to Stagecoach East* David Beddall, 2022-09-15 Formed in 1984 following the decision by the National Bus Company to divide the Eastern Counties Omnibus Company Ltd into smaller parts Cambus Holdings became responsible for operating services in Cambridgeshire and West Suffolk A management buy out took place in 1986 followed by the formation of Viscount Travel in 1989 followed by acquisition of Premier Travel in 1990 The company expanded into other geographical areas including Milton Keynes and parts of Buckinghamshire before being taken over by Stagecoach Holdings in 1996 The new owners added Go West Travel to the Cambus operations trading as Norfolk Green in recent times the company has ceased operating in the King s Lynn area this taking place in 2018 **The Automotive Industry and European Integration** A. J.

Jacobs, 2019-08-07 This book chronicles the divergent growth trends in car production in Belgium and Spain It delves into how European integration high wages and the demise of GM and Ford led to plant closings in Belgium Next it investigates how lower wages and the expansion strategies of Western European automakers stimulated expansion in the Spanish auto industry Finally it offers three alternate scenarios regarding how further EU expansion and Brexit may potentially reshape the geographic footprint of European car production over the next ten years In sum this book utilizes history to help expand

the knowledge of scholars and policymakers regarding how European integration and Brexit may impact future auto industry investment for all EU nations Palestinian Cinema Nurith Gertz,2008-01-15 Although in recent years the entire world has been increasingly concerned with the Middle East and Israeli Palestinian relationship there are few truly reliable sources of information regarding Palestinian society and culture either concerning its relationship with Israeli society its position between east and west or its stances in times of war and peace One of the best sources for understanding Palestinian culture is its cinema which has devoted itself to serving the national struggle In this book two scholars an Israeli and a Palestinian in a rare and welcome collaboration follow the development of Palestinian cinema commenting on its response to political and social transformations They discover that the more the social political and economic conditions worsen and chaos and pain prevail the more Palestinian cinema becomes involved with the national struggle As expected Palestinian cinema has unfolded its national narrative against the Israeli narrative which tried to silence it **China's Impact on the U.
