Living Silence Christina Fink, 2001-05-04 Burma remains the odd man out in South East Asia It is a military dictatorship not part of the region's still dynamic economy and has a troubled relationship with the outside world including that fact that it is the second largest supplier of heroin This exceptionally readable account of Burma gives a graphic often moving and always insightful picture of what life under military rule is like for ordinary Burmese This survey takes in a wide diversity of ordinary people and communities

Forever England Alison Light, 2013-08-21 Most studies of the interwar years have focussed upon literary elites rendering that past and its literature in almost exclusively male terms In Forever England Alison Light argues that we cannot make sense of Englishness in the period or understand the changes within literary culture unless we recognise the extent to which the female population represented the nation between the wars From the traumatic aftermath of the First World War Forever England traces the making of a conservative national temperament which could be defensive and protective yet modernising in outlook In a series of literary analyses the author suggests some of the tones and accents of this new version of Englishness in particular she looks at new kinds of readership and fiction at the historical and emotional significance of the whodunit the burgeoning of historical romance and the creation of a middlebrow culture in the

period *Forever England* evokes a powerful sense of period and of the pleasures of reading providing an intimate picture of interwar life from inside the English middle classes As a feminist inquiry it argues from a different kind of social and political history one which makes connections between the interior structures of private life and their more public national forms Controversially it also urges that feminism deal with conservative as well as radical desires and their place in women's lives

Extinctopedia Serenella Quarello, 2024-03-12 A Smithsonian collaboration this journey of discovery through the animal kingdom past and present calls on us to educate ourselves and take action to save the amazing diversity of our planet Every living creature contributes towards the richness and beauty of our planet Each one has a reason to exist from the giant panda to the pygmy possum and if we lose them it will be forever Extinctopedia tells a complex story not just of those who are extinct but also of those in greatest peril with explanations of what threatens their survival It is also a story of hope hope for animals who have been rediscovered hope in the form of newly discovered animals and hope that we might hear the warning call and act to preserve the amazing biodiversity of our fragile planet for future generations to come Read stories about animals that are no longer with us Discover endangered animals at risk of extinction Learn about organizations which aim to protect animal life Find out about strategies for preserving biodiversity Extinctopedia provides a fascinating catalog of life on earth and encourages the reader to find ways of preserving the incredible diversity of species so we may all thrive and life itself can endure on this amazing and beautiful planet

Red House Sarah Messer, 2005-06-28 In her critically acclaimed ingenious memoir Sarah Messer explores America's fascination with history family and Great Houses Her Massachusetts childhood home had sheltered the Hatch family for 325 years when her parents bought it in 1965 The will of the house's original owner Walter Hatch which stipulated Red House was to be passed down never to be sold or mortgaged from my children and grandchildren forever still hung in the living room In *Red House* Messer explores the strange and enriching consequences of growing up with another family's birthright Answering the riddle of when shelter becomes first a home and then an identity Messer has created a classic exploration of heritage community and the role architecture plays in our national identity
