Forms Of Nursing Chrishani Hospital:

A Dream Realised Ulrike Hill,Zanele Chakela,2020-01-06 How can there be only one dedicated hospital in the country for our children When Madiba asked this question he sowed the seeds of a challenge that would grow into a legacy A seed may be small but its size is disproportionate to what it can become over time The Nelson Mandela Children s Hospital was a project that seemed impossible when it was just an idea that started with ten people seated around a dinner table As they discussed the state of healthcare in the country and shared their experiences they realised that it was the children of Southern Africa who were the most disadvantaged by the lack of dedicated paediatric facilities At the end of the evening a statement by the late Dr Nthato Motlana took hold and became the catalyst for a remarkable journey I will speak to Nelson he said With South Africa s first democratically elected president Nelson Mandela s backing the board of the Children s Fund was inspired to take up the challenge to address this vital need After years of global research and advice from experts in numerous different fields a Trust was formed to oversee the project and critically to set about raising the one billion rand it would take to build equip and staff a state of the art children s hospital The stories behind the planning for fundraising and building of the Nelson Mandela Children s Hospital are inspiring personal and sometimes heart breaking It was a long and arduous journey beset with difficulties but the dedicated team s commitment and courage prevailed to create a living legacy that will truly impact the lives of children for generations to come Today the Nelson Mandela Children s Hospital in Johannesburg is a proud testimony to a uniquely African story which honours the memory of a great statesman and celebrates the children for whom he cared so deeply Psychology. Sielkunde ,2000 *An Ode to My Mother-in-Law, Winnie Serobe* Gloria Tomatoe Serobe,2023-07-21 Gloria Tomatoe Serobe ne Ndaliso married Gaur Serobe in 1987 following a six month courtship And so began Gloria s 26 year relationship with her mother in law Winnie Serobe Winnie Serobe was born in Thaba Nchu in 1933 in a deeply racialised South Africa Yet she transcended all the barriers put in place by the South African government and society at large to become a nurse midwife community builder social entrepreneur and leader In the course of her marriage to Andrew Serobe for 40 years during which they became parents to five children she was never only a wife and a mother This book is Gloria s ode of love honour and respect to her mother in law whom she referred to as Mama It brings to life the story of a Winnie Serobe who we may not read about when we look at the heroes and heroines of this country but who served those around her every day She remains memorialised in the hearts and minds of those for whom she fought for the right to be educated buried with dignity and provided with the best quality healthcare particularly for mothers and their unborn and new born babies Throughout her remarkable life Winnie Serobe saw heard and homed some of the most vulnerable stigmatised ostracised and perhaps forgotten members of her community Throughout this life well lived she nurtured and mentored Gloria as a makoti of the Serobe family She reframed marriage family and service for the young Gloria lessons which Gloria shares in the pages of this book Gloria Tomatoe Serobe is a founding member and CEO of
