Education Restated Elliot Regenstein, 2022-07-26 Education Restated Getting Policy Right on Accountability Teacher Pay and School Choice offers the education policy community a roadmap for change in three hot button policy areas In each of these areas policy has been anchored around the wrong core values By putting the right core values at the heart of policy state governments can create more favorable conditions for education improvement at the local level Education Restated takes a pragmatic

approach to policy change recognizing that the forces that created today's policies have not gone away and that on complex issues there are legitimate competing interests This book harmonizes the best ideas of opposing policy camps and identifies opportunities to strengthen connections between K 12 and early childhood For advocates seeking common ground with historical adversaries Education Restated provides some ideas on where they might find it

Contested Curriculum Don Romesburg, 2025-04-15 Today many states have proposed so called Don't Say Gay bills that prohibit public school teachers from mentioning LGBTQ topics in the classroom But a few states like California have taken decisive steps in the other direction They mandate inclusive education that treats LGBTQ history as essential to the curriculum At once a history of an evolving movement and an activist handbook Contested Curriculum navigates the rocky path to LGBTQ inclusive K 12 history education in the United States and recounts the fight for a curriculum that recognizes the value of queer and trans lives What began in fits and starts in activism and educational materials across the late twentieth century led to the passage of California's landmark FAIR Education Act in 2011 ensuring that LGBTQ history has a place in the K 12 classroom Historian Don Romesburg the lead scholar who worked with advocacy organizations to pass the act recounts the decades long struggle to integrate LGBTQ content into history education policy textbooks and classrooms Looking at California and states that followed its lead he assesses the challenges and opportunities presented by this new way of teaching history Romesburg's powerful case for LGBTQ inclusive education is all the more urgent in this era of anti gay book bans regressive legislation and attempts to diminish the vital role that inclusive and honest history education should play in a democratic nation

Everyday Life in Global Morocco Rachel Newcomb, 2017-10-09 Following the story of one middle class family as they work eat love and grow Everyday Life in Global Morocco provides a moving and engaging exploration of how world issues impact lives Rachel Newcomb shows how larger issues like gentrification changing diets and nontraditional approaches to marriage and fertility are changing what the everyday looks and feels like in Morocco Newcomb's close engagement with the Benjelloun family presents a broad range of responses to the multifaceted effects of globalization The lived experience of the modern family is placed in contrast with the traditional expectation of how this family should operate This juxtaposition encourages new ways of thinking about how modern the notion of globalization really is
