Education Reform and Internationalisation David Bridges, 2014-08-28 This collection presents new investigations into the role of heritage languages and the correlation between culture and language from a pedagogic and cosmopolitical point of view

Pre-Service Teacher Education and Induction in Southwest China Ju Huang, 2018-09-12 This book is a narrative inquiry that focuses on four participating Chinese teacher candidates cross cultural learning in Canada and stories of induction in Southwest China Through the lens of three dimensional inquiry space and reciprocal learning in teacher education the author explores the influence of cross cultural experiences on the dissonance of pedagogies teacher student relationships socialization and beliefs about teaching and learning that interweave global and national curriculum boundaries The chapters provide insight into how Chinese beginning teachers struggle to voice and to socialize among a cacophony of past practices lived experiences and cross cultural experiences

Ethnic Cleansing During the Cold War Tomasz Kamusella, 2018-07-17 In mid 1989 the Bulgarian communist regime seeking to prop up its legitimacy played the ethnonational card by expelling 360 000 Turks and Muslims across the Iron Curtain to neighboring Turkey It was the single largest ethnic cleansing during the Cold War in Europe after the wrapping up of the postwar expulsions population transfers of ethnic Germans from Central Europe in the latter half of the 1940s Furthermore this expulsion of Turks and Muslims from Bulgaria was the sole unilateral act of ethnic cleansing that breached the Iron Curtain The 1989 ethnic cleansing was followed by an unprecedented return of almost half of the expellees after the collapse of the Bulgarian communist regime The return which partially reversed the effects of this ethnic cleansing was the first ever of its kind in history Despite the unprecedented character of this 1989 expulsion and the subsequent return not a single research article let alone a monograph has been devoted to these momentous developments yet However the tragic events shape today s Bulgaria while the persisting attempts to suppress the remembrance of the 1989 expulsion continue sharply dividing the country s inhabitants Without remembering about this ethnic cleansing it is impossible to explain the fall of the communist system in Bulgaria and the origins of ethnic cleansing during the Yugoslav wars Faltering Yugoslavia s future ethnic cleansers took a good note that neither Moscow nor Washington intervened in neighboring Bulgaria to stop the 1989 expulsion which in light of international law was then still the legal instrument of population transfer The as yet unhealed wound of the 1989 ethnic cleansing negatively affects the Bulgaria s relations with Turkey and the European Union It seems that the only way out of this debilitating conundrum is establishing a truth and reconciliation commission that at long last would ensure transitional justice for all Bulgarians irrespective of language religion or ethnicity
