**Quality Research Papers** Nancy Jean Vyhmeister, Terry Dwain Robertson, 2020-05-19. This will be the fourth edition of a time-tested resource for students writing papers in the fields of religion and theology. It provides essential guidance for writing assignments typical in graduate programs in religion and has served as a standard textbook for seminary research courses. The fourth edition is updated to include information on Turabian 9th edition, SBL Handbook 2nd edition, new resource lists, and additional help with online resources and formatting issues. Most importantly, this new edition is revised from the perspective of information abundance rather than information scarcity. Today's research mindset has shifted from "find anything and be satisfied with anything" to "choose intentionally reliable and credible sources." Quality Research Papers will guide students through an overabundance of online and library resources and help them craft excellent essays.

**Writing a Research Paper in Political Science** Lisa A. Baglione, 2015-03-17. In *Writing a Research Paper in Political Science*, author Lisa Baglione breaks down the research paper into its constituent parts and shows students precisely how to complete each component. The author provides encouragement at each stage and faces pitfalls head-on, giving advice and examples so that students move through each task successfully. Students are shown how to craft the right research question, find good sources, and properly summarize them; operationalize concepts; design good tests for their hypotheses; and present and analyze quantitative and qualitative data. Even writing an introduction, coming up with effective headings and titles, presenting a conclusion, and the important steps of editing and revising are covered. Practical summaries, recipes for success, worksheets, exercises, and a series of handy checklists make this a must-have supplement for any writing-intensive political science course. In this Third Edition, updated sample research topics come from American government, gender studies, comparative politics, and international relations. And now more extensive materials are available on the web, including checklists and worksheets that

help students tackle each step calendar ideas to help them complete their paper on time and a glossary
