the origins and meanings of secondhand style and explores how buying pre owned goods went from a signifier of poverty to a declaration of rebellion Considering buyers and sellers from across the political and economic spectrum Le Zotte shows how conservative and progressive social activists from religious and business leaders to anti Vietnam protesters and drag queens shrewdly used the exchange of secondhand goods for economic and political ends At the same time artists and performers from Marcel Duchamp and Fanny Brice to Janis Joplin and Kurt Cobain all helped make secondhand style a visual marker for youth in revolt
