The New Gray's Wild Game Cookbook Rebecca Gray, 2009-09 Game is ultimately the most American ingredient the only possible food capable of establishing itself as a defining element in a true American cuisine So writes Rebecca Gray in

the Preface of The New Gray's Wild Game Cookbook and for the next 61 menus and 180 individual recipes she gives us what amounts to a celebration of wild game as the ultimate gourmet food. Here in abundance is the joy and exhilaration of preparing exquisitely matched accompaniments to beautifully prepared main dishes of venison, wild fowl, upland birds, and other choice meats brought to the table by the North American hunter. Laid to rest through anecdote, personal experience, and technical exposition is any vestige of the intimidation a cook might feel when faced with a just bagged bird. Extensively revised and updated from the original The New Gray's Wild Game Cookbook, in addition to separate menu-filled chapters on Venison, Water Fowl, Upland Birds, and Mixed Bag, a collection of menus for such diverse prizes as wild sheep, mountain goat, bear, wild boar, and rabbit contains detailed and stylishly written chapters on Game Care, not the usual field dressing and cutting instructions, but a carefully researched and wittily presented discussion of what matters most to the cook, and A Few Suggestions, advice, and opinion that respects the reader's own experience while passing along nearly thirty years of absorbed interest in fine preparation of tasteful wild game meals. The New Gray's Wild Game Cookbook treats wild game in its truest and broadest context. Wild game is that rarest of culinary ingredients, something that quite literally money cannot buy. Rebecca Gray knows this, and every recipe here celebrates it. So will anyone lucky enough to be served its menus.

Talking with My Mouth Full Bonny Wolf, 2013-12-10. What does America really eat? Which recipes do real home cooks turn to again and again? More often than not, they are dishes handed down from great aunts and painstakingly copied out of smudged recipe boxes rather than the creations of celebrity chefs. Bonny Wolf, food commentator for NPR's Weekend Edition, writes about the great regional and family food traditions in this country: birthday cake and dinner party food, hearty American breakfasts, and Fourth of July picnic dishes. In Talking with My Mouth Full, she writes stories about food and also about the people who eat it. This book gives a snapshot of the American traditions that have contributed to what and how we eat. Food trends come and go, but many delightful national treasures—bundt cake, barbecue, roast chicken, fair food—are timeless. Each of Bonny Wolf's chapters, whether she's writing about true regional specialties like Minnesota's wild rice, Texas Blue Bell ice cream, or Maryland's famous crab cakes, or about family favorites like noodle pudding or Irish raisin soda bread, ends with a perfectly chosen group of recipes, tantalizing and time-tested. In the tradition of Laurie Colwin's Home Cooking, Talking with My Mouth Full is a book you will turn to over and over for wonderful food writing and recipes for comfort food, a great nosh, or the ideal covered dish to take to a potluck supper.
