Elliott,2020-05-21T00:00:00Z Restorative justice as it exists in Canada and the U S has been co opted and relegated to the sidelines of the dominant criminal justice system In *Security With Care* Elizabeth M Elliott argues that restorative justice cannot be actualized solely within the

criminal justice system If it isn't who we are says Elliott then the policies will never be sustainable Restorative justice must be more than a program within the current system it must be a new paradigm for responding to harm and conflict Facilitating this shift requires a rethinking of the assumptions around punishment and justice placing emphasis instead on values and relationships But if we can achieve this change we have the potential to build a healthier more ethical and more democratic society
