Resources in Education ,2001-10      **Science Education in Canada** Christine D. Tippet, Todd M. Milford, 2019-07-01 This book offers a meso level description of demographics science education and science teacher education Representing all 13 Canadian jurisdictions the book provides local insights that serve as the basis for exploring the Canadian system as a whole and function as a common starting point from which to identify causal relationships that may be associated with Canada s successes The book highlights commonalities consistencies and distinctions across the provinces and territories in a thematic analysis of the 13 jurisdiction specific chapters Although the analysis indicates a network of policy and practice issues warranting further consideration the diverse nature of Canadian science education makes simple identification of causal relationships elusive Canada has a reputation for strong science achievement However there is currently limited literature on science education in Canada at the general level or in specific areas such as Canadian science curriculum or science teacher education This book fills that gap by presenting a thorough description of science education at the provincial territorial level as well as a more holistic description of pressing issues for Canadian science education      Research in Education ,1974      Indicators of Precollege Education in Science and Mathematics National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on Indicators of Precollege Science and Mathematics Education, 1985-01-01 Many studies point to the inadequacy of precollege education in the United States How can it be improved The development of effective policy requires information on the

condition of education and the ability to measure change This book lays out a framework for an efficient monitoring system  
Key variables include teacher quality and quantity course content instructional time and enrollment and student achievement
