Credit Rating Governance Ahmed Naciri,2015-01-30 Credit rating agencies play an essential role in the modern financial system and are relied on by creditors and investors on the market In the recent financial crisis their power and reliability were often questioned yet a simple rating downgrade could threaten to bankrupt a whole country This book examines the governance of credit rating agencies as expressed by their ability to fairly ethically and consistently assign higher rates to issuers having lesser default risks However factors such as the drive for increased revenue and market share the inadequate business model the inadequate methodology of assessing risk opacity and inadequate internal monitoring have all been identified as critical governance failures for credit agencies This book explores these issues and proposes some potential solutions and improvements This will be of interest to researchers and advanced students of corporate finance finance financial economics risk management investment management and banking **2025-26 UPPSC LT Grade Commerce.** YCT Expert Team , 2025 26 UPPSC LT Grade Commerce 224 395 This book contains the study material based on the asked questions in the previous examination **Public Management** Carolyn J. Hill,Laurence E. Lynn Jr,2015-09-23 Managing in the public sector requires an understanding of the interaction between three distinct dimensions administrative structures organizational cultures and the skills of individual managers Public managers must produce results that citizens and their representatives expect from their government while fulfilling their constitutional responsibilities In Public Management Thinking and Acting in Three Dimensions authors Carolyn J Hill and Laurence E Lynn Jr argue that one size fits all approaches are inadequate for dealing with the distinctive challenges that public managers face Drawing on both theory and detailed case studies of actual practice the authors show how public management that is based on applying a three dimensional analytic framework structure culture and craft to specific management problems is the most effective way to improve the performance of America s unique scheme of governance in accordance with the rule of law The book educates

readers to be informed citizens and prepares students to participate as professionals in the world of public management
