Building Bilingual Education Systems Peeter Mehisto, Fred Genesee, 2015-03-12 A collaborative series with the University of Cambridge Faculty of Education highlighting leading edge research across Teacher Education International Education Reform and Language Education

Contested Curriculum Don Romesburg, 2025-04-15 Today many states have proposed so called Don't Say Gay bills that prohibit public school teachers from mentioning LGBTQ topics in the classroom But a few states like California have taken decisive steps in the other direction They mandate inclusive education that treats LGBTQ history as essential to the curriculum At once a history of an evolving movement and an activist handbook *Contested Curriculum* navigates the rocky path to LGBTQ inclusive K 12 history education in the United States and recounts the fight for a curriculum that recognizes the value of queer and trans lives What began in fits and starts in activism and educational materials across the late twentieth century led to the passage of California's landmark FAIR Education Act in 2011 ensuring that LGBTQ history has a place in the K 12 classroom Historian Don Romesburg the lead scholar who worked with advocacy organizations to pass the act recounts the decades long struggle to integrate LGBTQ content into history education policy textbooks and classrooms Looking at California and states that followed its lead he assesses the challenges and opportunities presented by this new way of teaching history Romesburg's powerful case for LGBTQ inclusive education is all the more urgent in this era of anti gay book bans regressive legislation and attempts to diminish the vital role that inclusive and honest history education should play in a democratic nation

Textbooks and Educational Media: Perspectives from Subject Education Péter Bagoly-Simó, Zuzana Sikorová, 2021-08-05 This book brings together empirical research and conceptual work on textbooks and education media from 13 countries and 17 disciplines Along with textbook production usage and development it also explores the interconnectedness of educational policy and teaching and learning materials Further the book offers insights into regional and local discourses e g specific theories of Portuguese and Spanish speaking countries as well as Nordic countries contrasting their theories with international literature practices and solutions with regard to teaching selected subjects at the pre primary primary secondary and tertiary level This book also discusses the specific combinations of

subjects e g Physics Biology Geography Swedish English and their subject specific education e g Physics Education or Didactics Lastly it examines the work of a number of early career researchers giving them a voice and bringing in fresh ideas currently being developed in various countries around the globe This proceedings volume will appeal to publishers subject educators in primary secondary and tertiary education and academic researchers from the fields of textbooks educational media and subject specific education Its international authorship and explicit focus on subject specific particularities of educational media provide a unique and comprehensive overview

Introduction to Teaching Gene E. Hall,Linda F. Quinn,Donna M. Gollnick,2024-02-19 An ideal text for aspiring teachers the new Fourth Edition of Introduction to Teaching thoroughly prepares students to make a difference as teachers presenting first hand stories and evidence based practices while offering a student centered approach to learning

Catalog of Educational Captioned Films/videos for the Deaf,1990 Collecting for the Curriculum Amy J. Catalano,2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials

Streaming Video Resources for Teaching, Learning, and Research Julie A. DeCesare,2014-03-27 According to a 2012 Ithaka study 80 percent of faculty in the humanities and 70 percent in social sciences use video film and non textual resources for teaching undergraduates Streaming video is not simply an accommodation to distance learners rather it s an expectation for the curriculum and a valuable tool for teaching critical thinking skills analysis and the use of primary sources This issue of Library Technology Reports will help you recommend high quality video resources for faculty and researchers with information on 75 YouTube channels for teaching learning and research 11 interdisciplinary video and multimedia sites with annotations on features and content 6 open access course collections 5 university channels and collections Using video with Moodle Sakai LibGuides or WordPress Mass market video sites that offer library friendly business models
