*Teaching Psychology* Douglas A. Bernstein, Sue Frantz, Stephen L. Chew, 2019-11-08 This thoroughly revised third edition of *Teaching Psychology* synthesizes the latest pedagogical research on effective teaching and translates it into recommendations for classroom application. It also takes into account the many changes in the teaching landscape that have taken place in recent years. Covering key topics such as planning a course, choosing teaching methods, assimilating technology, and the integration of teaching into the rest of your academic life, this book also includes an abundance of supportive supplementary content to guide and inform new teachers. This content will also benefit seasoned teachers who wish to reevaluate their current teaching practices and explore new teaching ideas and techniques. Presenting a comprehensive and cutting edge teaching guide for psychology teachers, this book is a vital resource for those who are training psychology instructors or undertaking a teaching psychology course. It is also a useful text for more experienced faculty looking to update their current teaching practices.
