

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

How to Read Texts Neil McCaw, 2013-09-26 Now in its second edition, How to Read Texts introduces students to key critical approaches to literary texts and offers a practical introduction for students developing their own critical and close reading skills. Written in a lively jargon-free style, it explains critical concepts, approaches and ideas including Debates around critical theory, The role of history and context, The links between creativity and criticism, The relationship between author, reader and text. The new edition now includes guidance on analysing a range of multi-media texts including film and online media as well as the purely literary. In addition to new practical examples, readings, exercises and checkpoints that help students to build confidence in their own critical readings of both primary and secondary texts, the book now also offers guidance on writing fully formed critical essays and tips for independent research. Comprehensively updated and revised throughout, How to Read Texts is an indispensable guide for students making the transition to university study.
