**Project Nathaly: Learning How to be a Stepfather without Completely Screwing Up** D.D. Simpson, PhD, 2023-11-06 Confucius said that while at home a young person should serve their parents In all major religions it stresses the importance for children to show respect to those responsible for bringing them into the world The Quran writes Be good to your parents while the Old Testament preaches to Honour thy father and thy mother With such clear messaging one would think parenting should be easy Unfortunately it's anything but Add the word step to the front of either Mom or Dad's title and the challenge escalates exponentially At least that was the case for this stepfather I hadn't planned on adding that position to my resume when I turned forty five but as the Yiddish adage goes Man Plans and God Laughs The woman I fell in love with was a single mom with a ten year old daughter named Nathaly I had never met anyone who was so genuinely kind and beautiful before Of course I'm referring to Nathaly's mom my future wife Diana and not the little tornado who was as warm as a bucket of ice the first night we met However it made no difference I was committed to making things work no matter what it took It's been over a decade and I think maybe just maybe Nathaly is beginning to realize that I love her as if she was my own As for my fellow stepparents here's what I learned over those years when dealing with a child who wasn't shy to remind me that I wasn't her father Be authentic set the example by following good morality control your emotions and not the other way around and above all humble yourself when you screw up because trust me you will screw up Enjoy the read *School*, 1908 **Reporter** Chicago Principals Club, 1962 Cornell
