Bangladesh Hiranmay Karlekar,2005 It is I think a timely and sobering reminder of the power of all kinds of fundamentalisms in the contemporary world and that no society is proof against their ravages even those which have prided themselves on their secularism tolerance and pluralism Bangladesh is a country haunted by divisions not only the Partition of India but also that of the War of Liberation and the even more fateful split between Muslim

and Bengali which is the more menacing because it exists within individuals within the people themselves Whether the wholeness of a specifically Bengali version of islam can be restored is the question which this book poses Jeremy Seabrook The Guardian This book should ring a warning bell for policymakers in the South Block If you do not agree read Karlekar s chilling tale of the death of Mjuibur s dream and that of many others who naively believed in it Kanchan Gupta India Today The book unravels how the hate matrix has found a place in a culturally vibrant society that just two decades back asked for freedom from the shackles of an oppressive regime Anju Kumar The Hindu Dubbed a hotbed of terrorism across the world Bangladesh is under the spotlight Hiranmay Karlekar s timely book tackles the issue with depth and insight A must read for strategic thinkers and those involved in watching India s neighbourhood Tehelka The author argues that the headquarters of Islamic terrorism is shifting from Afghanistan to Bangladesh which he describes as a soft state with an ineffective government and a weak police force The Pioneer Karlekar has a long experience of reporting on Bangladesh His book resonates with this experience and with a wealth of details and will help fill the vacuum of information on Bangladesh and its crisis of fundamentalism The India Express Bangladesh focuses on the growth of Islamic fundamentalism in Bangladesh Hiranmay Karlekar analyzes in detail the historical social cultural and political circumstances that have led to this and discusses the chances of the situation being altered From a wealth of reliable sources he discusses the circumstances which account for this rise in fundamentalism and he demonstrates the forces that function within the ruling coalition in Bangladesh allowing this rise unchecked Hiranmay Karlekar is Consultant Editor of The Pioneer and a member of the Press Council of India During his career he has been Editor of The Hindustan Times Deputy Editor of The Indian Express and Assistant Editor of The Statesman and the erstwhile Hindusthan Standard published from Kolkata by the Anandabazar Patrika group

Literary Location and Dislocation of Myth in the Post/Colonial Anglophone World ,2017-11-01 The English speaking world today is so diverse that readers need a gateway to its many postcolonial narratives and art forms This collection of essays examines this diversity and what brings so many different cultures together Whether Indian Canadian Australasian or Zimbabwean the stories discussed focus on how artists render experiences of separation belonging and loss The histories and transformations postcolonial countries have gone through have given rise to a wide range of myths that retrace their birth evolution and decline Myths have enabled ethnic communities to live together the first section of this collection dwells on stories which can be both inclusive and exclusive under the aegis of nation While certain essays revisit and retell the crucial role women have played in mythical texts like the Mahabharata others discuss how settler colonies return to and reappropriate a past in order to define themselves in the present Crises clashes and conflicts which are at the heart of the second section of this book entail myths of historical and cultural dislocation They appear as breaks in time that call for reconstruction and redefinition a chief instance being the trauma of slavery with its deep geographical and cultural dislocations However the crises that have deprived entire communities of their homeland and their identity are followed by

moments of remembrance reconciliation and rebuilding As the term postcolonial suggests the formerly colonized people seek to revisit and re investigate the impact of colonization before committing it to collective memory In a more specifically literary section texts are read as mythopoeia foregrounding the aesthetic and poetic issues in colonial and postcolonial poems and novels The texts explored here study in different ways the process of mythologization through images of location and dislocation The editors of this collection hope that readers worldwide will enjoy reading about the myths that have shaped and continue to shape postcolonial communities and nations CONTRIBUTORS Elara Bertho D nlaith Bird Marie Christine Blin Jaine Chemmachery Andr Dodeman Biljana ori Francuski Fr d ric Dumas Daniel Karlin Sabine Lauret Taft Anne Le Guellec Minel Iodie Raimbault Winfried Siemerling Laura Singeot Fran oise Storey Jeff Storey Christine Vandamme
