

GO BOLD

with gorgeous, graphic color!

GRAPHIC KNITS is a collection of 20 patterns featuring modern colorwork and pattern inspired by geometric motifs. You'll discover fresh and bold projects by an up-and-coming design star for the Knitscene set. Author Alexis Winslow makes use of color-knitting techniques such as stripes, Fair Isle, intarsia, and slipped stitches to create visually appealing garments.

Flattering silhouettes expertly integrate vibrant colorwork and graphic detail for maximum effect. These two elements—shape and pattern—engage in a playful and mutually flattering relationship across the 20 pieces with unexpected, modern details. An oversized chunky cable scarf is given vivid personality through color blocking. A shapely sweater sports a pretty pattern around the collar—but instead of a traditional Scandinavian motif, bright polka dots create something fresh and new.

Enjoy on-trend garments such as tunics and shawl/wrap cardigans as well as classic shapes that you'll wear again and again.

As a young breakout designer, **Alexis Winslow** is in the vanguard of a new generation of knitters. In print as well as online through her blog knitdarling.com, she has gained a loyal following for her innovative garment construction techniques and bold graphic aesthetic. An Oklahoman native now living in Brooklyn, Alexis is also a painter, textile designer, and seamstress. Her eclectic experience is reflected in her fresh, thoughtful, and entertaining designs.
