I can brainstorm story elements to create my own legend.

A **legend** describes how or why something in nature happened. Start your plan by asking a question.

Here are some examples:

How did the stars get into the sky?

Why do zebras have stripes?

How did Death Valley get created?

My Focus **question** is: \_\_\_\_\_

Now that you have a Focus **question**, think about a creative way to describe the answer using strong characters, exaggerations and figurative language.

Sketch and describe the main character:
