This book is written to express my strong innermost feelings lifes challenges and obstacles the ups and downs on this earth overcoming as a fighter being a soldier of Christ Jesus No matter how tough the situation always remember that the Lord delivers souls out of prison within and into the light not allowing the enemy to crush our lives There is life ahead The hope is Christ Jesus He is life and love created from above by our Heavenly Father We no longer have to dwell in darkness like those who have long been dead but instead we put on light the armor of God If without love but with hate there will be no movement in time from darkness to light Love makes the world go round the life of living All of us will die someday Are you afraid If so why If however youve never experienced the light of life living in darkness how will you ever know if you continue to live in death and darkness The book of Genesis tell us that in the beginning God spoke the words Let there be light and there was light from darknessthe day to night And he saw it was good and it was so To go through one day to the next you must pass the night to get to the day of light We are all born into light from darkness for God is love and light Everything in life is created out of love and the light in Christ Jesus Glory to God **Report** New York (State).
