30 + Easy Healthy Homemade Dog Food and Treats Leslie McBride, 2021-05-12 I can t really remember a time when there wasn t a dog in my life in some way Before I had my own dogs or puppies I had plenty of friends and family members who did Commercial dog food has fillers junk byproducts and unsafe food I was a young adult when I started noticing the many recalls on dog food I felt as though too many dogs and animals in general were suffering and dying because of the food we as owners fed them on a regular basis Honestly I ve been an animal lover since I can remember I was one of those kids in the 80s and 90s asking for the Wildlife Treasure Box Animals are animals and we have to understand them and their ways to care for them properly At least in my opinion anyway Feed your dog the best way you know how with the food you eat Long story short all the recalls and issues led me to want to feed all of my animals the diet they deserve One that keeps them healthy because after all it was the humans that domesticated them and so we should also be the ones who care for them in the closest way There should be an air of freedom and food that resonates with their cravings and nutritional needs Homemade dog food is healthier Making homemade dog food can take some of your time and it does cost money but in the end I feel as though it s completely worth it Knowing what your dog is truly eating on a regular basis can help you if anything were to ever happen When a dog gets sick and is only eating kibble or store bought food there s no real way to know what is truly in it that might be causing a problem Save money with homemade dog food My book will teach you all about how to cook or create food that your dog will thrive on at home I will show you everything I know about feeding a puppy or dog with food that you would eat You will learn about

Homemade Healthy Food and Treats for Dogs Corinna Forbes,2021-07-26 The health and well being of my dogs is what inspired me to create this cookbook I wanted my dogs to have the proper nutrition in their food and treats Also another reason I created this book is because at the time several dog food brands were being recalled and I was worried my dogs health was at risk if they were ingesting harmful ingredients In my research I found that dogs could actually eat a lot of the same foods people can eat So it seemed the next step would be to create recipes with a variety of ingredients for my dogs that they would enjoy My first step was to research approved ingredients for dogs Then as research expanded on other food types more variety of flavors seemed possible I was surprised at all the fruits and vegetables dogs can have My dogs and my friends and coworkers dogs were my taste testers So far no complaints For the most part the ingredients are inexpensive and if you grow them yourself it s even easier on the wallet The protein could be the ingredient that costs the most My dogs are so happy at lunchtime they cannot stand still while we are dishing out their food Our Bernese mountain dog jumps up to put her paws on the counter and drools while barking and my little one dances around on the floor In my research I found that homemade food could extend a dog s life by two years This book took approximately a year plus in the making and I hope that other people and dogs enjoy the recipes as much I enjoyed creating them Easy To Make Dog Food Recipe American Recipe Publishing,2020-11-04 Dogs aren t just friendly pets they re beloved family and like any family member the food you feed your pup needs to be healthy high quality and wholly delicious Packed with simple recipes using fresh ingredients and
