

Topics in World History - Research Paper

Western Civilizations I - Honors
Ms. Rosenberg, 2010-2011

Over the next two months, we will be working on researching and writing a historical research paper about specific topics in world history. Use this page as your guide for meeting all deadlines and fulfilling all requirements.

You have been assigned specific topics and will soon begin the research process. It is very important that you stay on top of the work and not fall behind. The point of this research paper is to explore the historical significance of your topic and examine the ways in which it is connected to other parts of history while also looking at its lasting importance. This is different from research papers you may have written in other classes.

What to Write About

When writing your paper, you will need to answer the questions below in addition to the one on the topic sheet. Be sure to answer all required questions.

- What is the background of your topic?
- How did your topic influence history?
- Why is your topic still important to us today?

Topics in the History of Psychology G. A. Kimble, K. Schlesinger, 2014-03-18 First published in 1985 At one end of historical time scale speculations about psychological processes go back to classical Greek philosophy and beyond For centuries thereafter the treatment of psychological subject matter remained largely in the domain of other disciplines especially philosophy where it became inextricably interwoven with epistemology The chapters of this book glance only briefly at these philosophical antecedents to review the basic concepts and principles that early investigators were to take for granted They tend then to move to the end of the last century when the systematic study of psychological processes began

The Long History of the Future Nicole Kobie, 2024-07-04 We love to imagine the future But why are groundbreaking future technologies always just around the corner and never a reality For decades we've delighted in dreaming about a sci fi utopia from flying cars and bionic humans to hyperloops and smart cities And why not Building a better world be it a free flying commute or an automated urban lifestyle is a worthy dream Given the pace of technological change nothing seems impossible anymore But why are these innovations always out of reach Delving into the remarkable history of technology The Long History of the Future introduces us to the clever scientists genius engineers and eccentric innovators who first brought these ideas to life and have struggled to make them work since These stories reveal a more realistic picture of how these technologies may evolve and how we'll eventually get to use them You may never be able to buy a fully driverless car but automated braking and steering could slash collision rates Smart cities won't perfect city life but they could help empty bins on time Hyperloops may never arrive but superfast trains are already here We always believe current technology is the best it could be By looking to the past and the future Nicole Kobie shows how history always proves us wrong and how what lies ahead may not be what we imagine but so much better

Nearby History David Kyvig, Myron A. Marty, Larry Cebula, 2019-06-28 Nearby History by David E Kyvig and Myron A Marty is one of the essential volumes on any public historian's bookshelf and syllabus Whereas every other how to do history book seems aimed at fledgling academic historians and grounds its advice on academic libraries and footnoting it is Nearby History that shows the reader how to do hands on public history research with the resources found in every community First published in 1984 the book remains as important as ever And yet the world of historical research has changed since 1984 not just the explosion of online historical sources but also the possibilities of using digital cameras and scanners for research digital communities for historical collaboration and podcasts smartphone apps and websites to present research and interpretations of nearby history It is time for an update Newly updated by Larry Cebula this fourth edition of Nearby History is a comprehensive handbook for those interested in investigating the history of communities families local institutions and cultural artifacts Nearby History helps its readers research the world near at hand In this fourth edition the authors discuss a variety of research approaches involving published literature unpublished documents oral histories visual
