society in the 21st century and beyond **Hitler** Joachim Fest, 2013-02-01 The best single volume available on the torturous life and savage reign of Adolf Hitler Time A bestseller in its original German edition and subsequently translated into more than a dozen languages Joachim Fest's Hitler has become a classic portrait of a man a nation and an era Fest tells and interprets the extraordinary story of a man's and nation's rise from impotence to absolute power as Germany and Hitler from shared premises entered into their covenant He shows Hitler exploiting the resentments of the shaken post World War I social order and seeing through all that was hollow behind the appearance of power at home and abroad Fest reveals the singularly penetrating politician hypnotizing Germans and outsiders alike with the scope of his projects and the theatricality of their presentation Perhaps most importantly he also brilliantly uncovers the destructive personality that aimed for and achieved devastation on an unprecedented scale As history and biography this is a towering achievement a compelling story told in a way only a German could tell it dispassionately but from the inside Time **Hitler's Secret Backers** Sydney Warburg, The book you are about to read is one of the most extraordinary historical documents of the 20th century Where did Hitler get the funds and the backing to achieve power in 1933 Germany Did these funds come only from prominent German bankers and industrialists or did funds also come from American bankers and industrialists American bankers supplied Adolf Hitler with millions of dollars to help build up his Nazi party Warburg was a joint owner of the New York bank Kuhn Loeb he describes three conversations he held with Hitler at the request of American financiers This book was originally published in Holland in 1933 shortly before Warburg's death **The Hitler Virus** Peter Wyden, 2012-02 More than a half century after Adolf Hitler committed suicide in a Berlin bunker the dictator's legacy and influence lives on precisely as he predicted before putting the gun to his head In the spring of 1945 as it became increasingly clear that the Nazi cause was lost Hitler dictated his final political testament to his secretary Out of my personal commitment the seed will grow again one day one way or another for a radiant rebirth of the National Socialist movement in a truly united nation The next day Hitler ended the Nazi regime by committing suicide Respected author and publisher Peter Wyden who himself escaped the Nazis has returned to Germany many times over the years and to his dismay he has found evidence that Hitler's last testament was startlingly accurate Though the Nazi cause had been exposed and vilified worldwide it is still clandestinely cherished by many In the process of documenting manifestations of Hitler's far reaching influence which he termed the Hitler virus Wyden discovered that its carriers were not merely to be found among the older generation but an alarming number of outbreaks of the virus are among the young adults who find in Hitler a moral and spiritual guide aided and abetted by a new breed of right wing academics who make the rewriting of history their mission and a new generation of politicians whose agendas are frighteningly close to those of young Hitler In these often chilling pages Wyden recounts the results of his research and points out that the Hitler virus is indeed still a cause for concern worldwide *Hitler the Pawn* Rudolf Olden, 1936 Hitler's Stormtroopers Jean-Denis LePage, 2016-12-19 The Sturm Abteilung der NSDAP SA assault
