How to be an Adult in Relationships Milkyway Media,2021-12-20 Buy now to get the main key ideas from David Richo's *How to be an Adult in Relationships* The human heart has much more love in it than it can possibly give out in a lifetime Psychotherapist David Richo's *How to Be an Adult in Relationships* 2002 lays out a strategy for realizing that limitless potential of love through the five A's: Attention, Acceptance, Appreciation, Affection, and Allowing. Intimate love is mysterious and demanding; many of us are afraid of it while yearning for it. Richo charts a course through the vulnerable and frightening areas of our soul in order to teach us how to love like adults. He shows us how to navigate the ups and downs of every relationship we'll ever have without allowing our ego to get in the way or our emotions to overpower us. *How to Be an Adult in Faith and Spirituality* David Richo,2011 What does a genuinely adult spirituality look like? Many adults find it difficult to answer this question because they often retain a childlike understanding of God and religion. This book explores that phenomenon and then offers adult alternatives in the light of mysticism, depth psychology, and the evolutionary cosmology. Written for the average person and without denominational bias, this book describes how a mature faith is nourished by religious views that are open-minded rather than provincial, metaphorical rather than literal, and respectful of individuality rather than rigid and rule-bound. *How to Be an Adult in Faith and Spirituality* offers a gentle reply to the atheism of our postmodern world by guiding readers along a path of enriching spiritual growth and by awakening them to the potential of the transcendent, the place within us and beyond us where true and lasting faith abounds.
