Maschke,2011-07-16 Computers Computer operating systems Monitors Computer peripherals Printers Scanners Servers Server operating systems Networking hardware Miscellaneous hardware Productivity software Security software Case management Billing software Litigation programs Document management Document assembly Collaboration Remote access Mobile security More about Macs Unified messaging and telecommunications Utilities The legal implications of social networking Paperless or paper LESS Tomorrow in legal tech **Software Product Lines** Gary J. Chastek,2003-08-02 Software product lines are emerging as an important new paradigm for so ware development Product lines are enabling organizations to achieve impressive time to market gains and cost reductions In 1997 we at the Software Engine ing Institute SEI launched a Product Line Practice Initiative Our vision was that product line development

would be a low risk high return proposition for the entire software engineering community It was our hope from the beginning that there would eventually be sufficient interest to hold a conference The First Software Product Line Conference SPLC1 was the realization of that hope Since SPLC1 we have seen a growing interest in software product lines Companies are launching their own software product line initiatives product line technical and business practices are maturing product line tool vendors are emerging and books on product lines are being published Motivated by the enthusiastic response to SPLC1 and the increasing number of software product lines and product line researchers and practitioners the SEI is proud to sponsor this second conference dedicated to software product lines We were gratified by the submissions to SPLC2 from all parts of the globe from government and commercial organizations From these submissions we were able to assemble a rich and varied conference program with unique opportunities for software product line novices experts and those in between This collection represents the papers selected from that response and includes research and experience reports
