■ **WORLD LEADER** in the design and construction of the world's largest and most complex projects

This document was produced through a multi-stakeholder process of research, consultation and public input. Through the government consultation process, the public was invited to provide input on the proposed plan. The public was invited to provide input on the proposed plan. The public was invited to provide input on the proposed plan.

22. **Answer: A** The first two sentences of the passage state that the author is not a scientist and that he is not writing a scientific paper. The author is writing a personal narrative about his experience with the scientific method. The author is not writing a scientific paper, so the correct answer is A.

The structure of the government is the subject of the political system. The structure of the political system is the subject of the political system.
