**Occidentalism** Xiaomei Chen, 1995-09-07 Xiaomei Chen offers an insightful account of the unremittingly favorable depiction of Western culture and its negative characterization of Chinese culture in post Mao China from 1978 1988 Chen examines the cultural and political interrelations between the East and West from a vantage point more complex than that accommodated by most current theories of Western imperialism and colonialism Going beyond Edward Said's construction in Orientalism of cross cultural appropriations as a defining facet of Western imperialism Chen argues that the appropriation of Western discourse what she calls Occidentalism can have a politically and ideologically liberating effect on contemporary non Western culture Using China as a focus of her analysis Chen examines a variety of cultural media from Shakesperian drama to Western modernist poetry to contemporary Chinese television She thus places sinology in the general context of Western theoretical discourses such as Eurocentrism postcolonialism nationalism modernism feminism and literary hermeneutics showing that it has a vital role to play in the study of Orient and Occident and their now unavoidable symbiotic relationship Occidentalism presents a new model of comparative literary and cultural studies that reenvisions cross cultural appropriation

**The Routledge Handbook of Translation, Feminism and Gender** Luise von Flotow, Hala Kamal, 2020-06-09 The Routledge Handbook of Translation Feminism and Gender provides a comprehensive state of the art overview of feminism and gender awareness in translation and translation studies today Bringing together work from more than 20 different countries from Russia to Chile Yemen Turkey China India Egypt and the Maghreb as well as the UK Canada the USA and Europe this Handbook represents a transnational approach to this topic which is in development in many parts of the world With 41 chapters this book presents discusses and critically examines many different aspects of gender in translation and its effects both local and transnational Providing overviews of key questions and case studies of work currently in progress this Handbook is the essential reference and resource for students and researchers of translation feminism and gender

**Translating New York** Regina Galasso, 2018-06-14 Drawing from several genres Translating New York recovers cultural narratives occluded by single linguistic or national literary histories and proposes that reading these texts through the lens of translation unveils new pathways of cultural circulation and influence Galasso argues that contact with New York ignited a heightened sensitivity towards language garnering literary achievement and aesthetic innovation
