The Handbook Jane Rawson, James Whitmore, 2015-09-01 Climate change has arrived and it's not going away In the absence of effective world action global warming is certain to continue The Handbook is not another book about climate change science or politics Rather it is an intelligent guide and a potential ground breaker for all of us who feel helpless in the face of government disagreement and want to know in a practical way what we can do now Not only will The Handbook help you prepare for

increased droughts floods fires and heatwaves it will provide you with stories and advice from individuals who are already quietly doing amazing things Jane Rawson and James Whitmore previously Environment editors for The Conversation look at how to establish your risk and face your fears where to live and with whom and how to survive heat fire and flood They investigate ways to provide your own food power and water make sure you can still get around and get rid of your waste and sewage They talk about new ways to think about home and possessions the sadness of living through climate change and how for both individual and common good we might positively change the way we live The Handbook is both practical and philosophical It can be read cover to cover or dipped into when you need specific advice It can help you plan and execute a strategy to deal with the effects of climate change It might change your life But it should also make you ask does it really have to be this way

The Goal Is Life

Michael Mavromatis, 2016-02-24 If the gospel is intended to set us free help us discover life and become more than who we are right now then why is it that many men struggle with Christianity Why do so many good men find church so unattractive Why cant I as a man find my place in this life Forget about tips and techniques they are fine if you want to create a spreadsheet bake a cake or fix your engine What we need is to rediscover our design What was God thinking when He created you as a man What is His offer And once we find it how do we become the men God intended us to be from the very beginning The gospel is a message of restoration What we need most is to see our relationship restored with our true Father if we are ever to become the men God sees in us We must learn to hear His voice Christianity was never intended to be a religion However it was always meant to be a relationship originating from the heart

Ice Journey

Dave Morgan, 2010-08-01 Ice Journey is the biography of Vietnam veteran Dave Morgan whose long career in meteorology culminated with a life changing expedition to Antarctica Like many of his fellow soldiers Dave tried to present a normal face to the world while battling Post Traumatic Stress Disorder It was a debilitating struggle that ultimately sparked a personal obsession to escape the bonds of average Australian society In his early fifties Dave turned to the seclusion and hardship of Antarctic research where postings to Macquarie Island Davis Station and a prized position at Casey Station finally forced him to face his fears deal with his PTSD and come to terms with his experiences as a soldier in Vietnam Dave carries his deeply buried demons from the jungles of Vietnam to the icy peaks of Antarctica his journey to the ice fulfilling a lifelong dream while making him feel safe for the first time in 30 years His experiences as an expeditioner on the starkly beautiful harsh and inhospitable ice was at once intoxicating and isolating providing the catalyst for Dave to finally face his fears It is an emotional journey that transports the reader from the terror of a young soldier fighting far away from home to exhilaration on the ice far from the rest of the world It is a story filled with vivid landscapes and humour before a shocking final twist that ends his final posting in heart wrenching fashion While the ghosts of Vietnam still exist inside Dave Ice Journey is an
