of someone who simply wants to carry a concealed firearm safely and responsibly until now Bill Clede serves on the Connecticut State Police Firearms Advisory Committee which determines what training in his state will and will not include A fruitless search for a suitable text is what prompted him to develop this book One of Clede s primary goals is teaching how to avoid discharging the firearm in the first place defusing aggressive behavior without resorting to shooting someone The Practical Pistol Manual brings all these concerns together safety competent shooting and how to deal with violent behavior in one concise and affordable book This is the only book that fills the need of a text for novices that covers safety competent shooting and how to deal with potentially violent encounters 9mm Walther P-38 Ian D.
