undersized at the low post position as it brings the opponent's bigs away from the hoop. In addition, the UCLA high 1-4 alignment can also prevent the defense from being able to establish a help-side defense that can open up the lane for penetration. Another advantage of running the high 1-4 set is that it is versatile as all the plays can be run to either side and provide excellent spacing. In this 215-page playbook, you'll find pressure-release plays within our Loop Action and Over Under Action that can help you attack those overly aggressive defenses that deny the wings. You will also receive 12 different entry plays that you can use as false motions that can flow directly into any of your continuity offenses. There are also several quick hitters that you can choose from with over 55 different counterplays to switch things up and keep the defense guessing. You will learn all the adjustments that a coach can make during a game to make the right call at the perfect moment. We break the UCLA Offense down into both basic and advanced concepts, making it super easy to teach. With over 100 pages of drills included, you and your team will be able to master the UCLA offense in no time. Learn the offense that won Legendary coach John Wooden 10 National Championships today. Features 215 Pages Over 55 Quick hitters to choose from to counter what the defense may try to do. 12 different UCLA entry plays. Learn the 1-4 High UCLA Offense. Learn how to beat pressure with our pressure-release plays that can help alleviate against those overly aggressive defensive teams. Over 100 pages of drills teaching concepts that help breakdown the UCLA Offense. Create a series of plays that fit to your team's strengths.

Indiana University Basketball Encyclopedia Jason Hiner, 2004. The tradition of college basketball excellence that reigns at Indiana University can only be matched by a handful of other elite programs while the fierce devotion of IU basketball fans has been selling out arenas and inspiring generation after generation of Hoosier fans for over a century. The Indiana University Basketball Encyclopedia captures the glory, the tradition, and the championships from the team's inaugural games in the winter of 1901 all the way through the 2003-04 season. The most comprehensive book ever written about IU basketball, this encyclopedia covers every season and every game the Hoosiers have played throughout their illustrious history, including all of the program's Big Ten Conference championships and NCAA championships. It is a must-have for the library of every devoted IU basketball fan and a fitting guide to one of the most storied traditions in all of college basketball.
