Above the Circle Mervyn Smith, 2023-04-28. What would you do if you knew that you had been given a second chance to sail away from life's safe harbour? Each of us has dreams of doing something that takes us out of our comfort zone, but few of us take the plunge and actually do it. In this book Mervyn Smith describes a point in his life when he was facing the question of his own mortality as he recovered from a serious life saving surgery. This is the story of how he responded to that challenge and followed a life long dream to ride a motorcycle from his Shropshire home to a destination way above the Arctic Circle and who he did it for. Read what brought him to that decision, what difficulties he overcame to pursue his dream, and the adventures he had on the journey riding through the hottest European summer on record. This book will inspire you, challenge you, and hopefully motivate you to realise that everyone has a skill set unique to them which with faith, imagination, and creativity can be released. And that age is never a barrier to doing something extraordinary. The Heart of the Matter John D. Loscher, 2014-07-26. The heart belonging to Dr Jacob Rothmann, M.D., Professor of Anatomy and Physiology at Rosalind Franklin University of Medicine and Science, is filled with rage. He has yet to recover from being romantically spurned some three decades earlier by the beautiful Melissa Neithaus in favor of his irresponsible roommate Marty Adkins. Carrying that anger for nearly thirty years blackened his heart beyond reproach. With the cardiac physician's spirit completely devoured, he evolves into a repulsive man with no redeeming characteristics whatsoever. But with Marty dying of congestive heart failure, Melissa re-enters his life. As a renowned cardiovascular surgeon, Dr Rothmann has the power to do as the woman he still loves with all his heart implores: Save Marty's life. But does he have the heart to do it?
