Finding A Dream English Edition:

The Dream Police - English version Alessandro Giudice, 2017-12-28 Almost certainly the content of the following specification is something already well known therefore it may seem superfluous here nevertheless we prefer to propose it just the same During the length of this story we will neglect the obvious definition regarding what is commonly considered as an act of conscious will We'd rather observe that by act of unconscious will we mean an act performed according to the will of which the person who acts is not conscious therefore that act is the result of an unconscious will pulsion Instead by involuntary act we mean an act performed without any conscious or unconscious will by the person who acts for example it's the case of those acts belonging to circumstances such as unexpectedly meeting someone something while you're walking that meeting does not depend on the conscious or unconscious will of the person About all that this is not the adequate place to deal with either supernal will or coincidence the latter not to be interpreted as a casualness but literary as the event of coinciding as synchronicity according to the undersigned The dream and the acts it contains here represent a matter on their own You can conceptualize as you please the distinction among a nihilist a dissident a dissentient and a subversive according to the power system described in this story the latter two could be considered as interconnected for precautionary measures You can imagine as you please the complexions and the jobs of the characters in this story The Author [Aks-e-Khwaab by Aarzoo Ali Kaif | English Version](#) Aarzoo Ali Kaif, 2024-12-14 Dreams are where I found her and reality can never take her away Aks e Khwaab is a poetic journey through the labyrinth of unspoken emotions unfulfilled desires and a love that exists only in the sanctuary of dreams This collection of evocative ghazals captures the essence of a connection that transcends time and reality a bond painted with the delicate strokes of longing and imagination Through verses that weave between the real and the surreal the author delves into the bittersweet beauty of a love that lingers in silence a yearning that resonates in the quiet of the night Each ghazal is a reflection of a soul tethered to memories of a girl whose laughter dimples and sparkling eyes became the light of an eternal dream This is not just a book but a celebration of those who cherish the solace of dreams over the harshness of reality It invites readers to lose themselves in a world where love thrives in whispers where every word becomes a melody and where every page holds a piece of the heart Aks e Khwaab is for anyone who has ever loved lost and found refuge in the beauty of their own imagination Let this collection guide you into the world of dreams where love is eternal and reality fades into the shadows Step into the dream Let the magic begin [Naytnal - The legacy \(english version\)](#) Elias J.
