McLaren,2000-06-27 Is there a God What might God be like What is the relationship between faith and certainty Can intelligent people believe in spiritual realities Why are there so many religions Is it possible to experience a relationship with God and if so how If you ve asked questions like these you re in good company From songwriters such as Bob Dylan and Jewel Kilcher to TV shows such as The X Files and Touched by an Angel the media and the arts reflect postmodern men and women s search for a living faith and a spiritually oriented life Real faith isn t blind believism It is a process that engages your intellect as well as your emotions If you think faith requires turning your back on truth and intellectual honesty then Finding Faith is one book you really ought to read With logic passion and even handedness that the thinking person will appreciate this book helps you face your obstacles to faith by focusing not on what to believe but on how to believe Whether you want to strengthen the faith you have renew the faith you lost or discover faith for the first time Finding Faith can coach inspire encourage and guide you and help you discover more in life than you d ever imagined or hoped for
