|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| SS.7.C.1.1 Recognize how Enlightenment ideas including Montesquieu's view of separation of power and John Locke theories related to natural rights and how Locke's social contract influenced the Founding Fathers. |  |
| SS.7.C.1.2 Recognize the impact that the Magna Carta, English Bill of Rights, Mayflower Compact and Thomas Paine's "Common Sense" had on colonists' views of independence.                                          |  |
| SS.7.C.1.3 Describe how English policies and responses to colonial demands led to the writing of the Declaration of Independence.                                                                                   |  |
| SS.7.C.1.4 Analyze the ideas of natural rights, role of the government and compacts set forth in the Declaration of Independence.                                                                                   |  |

### The Enlightenment was a movement where thinkers began to use reason and logic to understand the world.
