**Beading—The Creative Spirit** Rev. Wendy Ellsworth, 2012-02-25 Find Your Creative Self in the Kaleidoscope of Beads

Color Beading and my spiritual path are intricately interwoven. It would be difficult for me to separate the two because they are so completely intertwined with one another. As I sit and weave with my beads, I allow the Creative Spirit to flow through me and though my hands are doing the work, another force is actively participating in the process. This force is a transmission of Spirit that fills me with deep inner peace and joy as I bead. As a result, the practice of my art form has become a creative path to my sacred center.

From the Introduction: Believing that beading is a form of meditation through which we can access the Creative Spirit that is always present in us, master bead artist Rev Wendy Ellsworth offers multiple ways to explore beading as a spiritual journey of self-discovery. Each of the seven chapters is rich with personal stories, exercises, and beading projects, and each project has a meditative experience to encourage a contemplative spirit and creative play. The project results are beautiful, meaningful symbols designed by a master bead artist for both novice and experienced beaders alike.

Original projects include: Geometric Mandala, Personal Mandala, Personal Prayer Beads, Beaded Prayer Pouch, Goddess Archetype Necklace, Beaded Stick Figure, Goddess Chakra Necklace, Chakra Flower Sculpture, Free form Gourd, Stitch Bracelet, Ruffled Cabochon Brooch, Dutch Spiral Necklace, Spiral Vessel, Song Beads, Herringbone Stitch Cuff with Freshwater Pearls.

**The Short, Swift Time of Gods on Earth**. Donald Bahr, Juan Smith, William Smith, Allison, Julian Hayden, 2023-04-28. In the spring of 1935 at Snaketown, Arizona, two Pima Indians recounted and translated their entire traditional creation narrative. Juan Smith, reputedly the last tribesman with extensive knowledge of the Pima version of this story, spoke and sang while William Smith, Allison translated into English, and Julian Hayden, an archaeologist, recorded Allison's words verbatim. The resulting document, the *Hohokam Chronicles*, is the most complete, natively articulated Pima creation narrative ever written and a rare example of a single narrator myth. Now this extraordinary work, composed of thirty-six separate stories, is presented in its entirety for the first time. Beautifully expressed, the narrative constitutes a kind of scripture for a native church, beginning with the creation of the universe out of the void and ending with the establishment in

the sixteenth century of present day villages Central to the story is the murder resurrection of a god man Siuuhu who summoned the Pimas and Papagos Tohono O odham as his army of vengeance and brought about the conquest of his murderers the ancient Hohokam Donald Bahr extensively annotates the text and supplements it with other Pima Papago versions of similar stories Important as a social and historic document this book adds immeasurably to the growing body of Native American literature and to our knowledge of the development of Pima Papago culture This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 In the spring of 1935 at Snaketown Arizona two Pima Indians recounted and translated their entire traditional creation narrative Juan Smith reputedly the last tribesman with extensive knowledge of the Pima version of this story spoke and sang while The Witchcraft Collection Volume One Wade Baskin,Collin de Plancy,Harry E.
