King Solomon's Mines H. Rider Haggard, 2015-01-08 It is a curious thing that at my age fifty-five last birthday I should find myself taking up a pen to try to write a history. I wonder what sort of a history it will be when I have finished it if ever I come to the end of the trip. I have done a good many things in my life which seems a long one to me owing to my having begun work so young perhaps. At an age when other boys are at school I was earning my living as a trader in the old Colony. I have been trading, hunting, fighting, or mining ever since. And yet it is only eight months ago that I made my pile. It is a big pile now that I have got it. I don't yet know how big but I do not think I would go through the last fifteen or sixteen months again for it. No, not if I knew that I should come out safe at the end of the pile and all. But then I am a timid man and dislike violence. Moreover, I am almost sick of adventure. I wonder why I am going to write this book. It is not in my line. I am not a literary man though very devoted to the Old Testament and also to the Ingoldsby Legends. Let me try to set down my reasons just to see if I have any.

King Solomons Mines H. The party retraces the steps of Neville, which takes them through many dangers, adventures, and evil intentions. Haggard weaves a tale of fantasy and adventure around the search of a man lost for two years. The exotic land of Africa is coloured as a dangerous and exciting place. There are instances in the story where the superiority of the civilised
