## GOOSEBERRY PATCH Our Story

Back in 1994, we were next-door neighbors raising our families in the New Town of Greenville. One day, my husband and I were looking for a way to do what we loved and stay home with the kids. We had a great idea: create a business that would bring us together with family and friends. After many trials and making mistakes, we decided to start a business that would bring us together.

We put together our first ever family friendly recipe book, including the help of our friends and neighbors. From that very first meeting, it wasn't long before we began receiving letters of praise and requests for our recipe book. We were so proud to be recognized as the first family friendly recipe book compiled from hundreds of thousands of home cooks.

Fast forward to now over 20 years since those first family friendly recipe book. From that original little Gooseberry Patch family, we've grown to a thriving and successful company. Our family friendly recipe book is now a best-selling and award-winning cookbook. We're proud to be recognized as the first family friendly recipe book compiled from hundreds of thousands of home cooks.

One thing's for sure, we couldn't have done it without our friends and neighbors. Our family friendly recipe book is now a best-selling and award-winning cookbook. We're proud to be recognized as the first family friendly recipe book compiled from hundreds of thousands of home cooks.
