Durban Dialogues, Indian Voice Ashwin Singh, 2017-07-05

Durban Dialogues Indian Voice is an anthology of five engaging and eclectic South African plays by award winning playwright Ashwin Singh. The plays selected namely *To House Duped*, *Spice n Stuff*, *Reoca Light* and *Beyond the Big Bangs* represent the complete array of Singh's storytelling skills in drama as well as satire. Each play reflects in different ways on the complexities and contradictions of life in post Apartheid South Africa and focuses particularly on people of Indian origin and their relationship with other South African communities. The plays present a moving portrait of a unique array of characters and are also punctuated by Singh's trademark humour. Each one is set in Durban, South Africa's third largest and most diverse city and they are described by renowned academic and critic Betty Govinden as undressing Durban as they take us away from the neon lights and candy floss to the reality of the underbelly of post Apartheid urban and suburban existence.
