Solution Gordon Lafer, 2017-04-04 In the aftermath of the 2010 Citizens United decision it s become commonplace to note the growing political dominance of a small segment of the economic elite But what exactly are those members of the elite doing with their newfound influence The One Percent Solution provides an answer to this question for the first time Gordon Lafer s book is a comprehensive account of legislation promoted by the nation s biggest corporate lobbies across all fifty state legislatures and encompassing a wide range of labor and economic policies In an era of growing economic insecurity it turns out that one of the main reasons life is becoming harder for American workers is a relentless and concerted offensive by the country s best funded and most powerful political forces corporate lobbies empowered by the Supreme Court to influence legislative outcomes with an endless supply of cash These actors have successfully championed hundreds of new laws that lower wages eliminate paid sick leave undo the right to sue over job discrimination and cut essential public services Lafer shows how corporate strategies have been shaped by twenty first century conditions including globalization economic decline and the populism reflected in both the Trump and Sanders campaigns of 2016 Perhaps most important Lafer shows that the corporate legislative agenda has come to endanger the scope of democracy itself For anyone who wants to know what to expect from corporate backed Republican leadership in Washington D C there is no better guide than this record of what the same set of actors has been doing in the state legislatures under its control *Asian Women Artists* Mary Ellen

Snodgrass, 2022-10-27 This book is a guide to identifying female creators and artistic movements from all parts of Asia offering a broad spectrum of media and presentation representing a wide variety of milieus regions peoples and genres Arranged chronologically by artist birth date entries date as far back as Leizu s Chinese sericulture in 2700 BCE and continue all the way to the March 2021 mural exhibition by Malaysian painter Caryn Koh Entries feature biographical information cultural context and a survey of notable works Covering creators known for prophecy dance epic and oratory the compendium includes obscure artists and more familiar names like biblical war poet Deborah Judaeen dancer Salome

Byzantine Empress Theodora and Myanmar freedom fighter Aung San Suu Kyi In an effort to relieve unfamiliarity with parts of the world poorly represented in art history this book focuses on Asian women often passed over in global art surveys
