Freedom Joseph Gilbert,2022-11-03 It isn t very politically correct to say America is a Christian nation However the Founding Fathers were Christians and their core convictions were the bedrock upon which this country was built These principles include the belief that as divine creations of God we are all equal before the law each citizen has intrinsic worth and value above any government and our rights are endowed onto us by our Creator These beliefs are not politically correct Political correctness is an extension of cultural Marxism that seeks to remove every aspect of God and religion from American public life including how we are governed If they are successful and they have been very successful so far we lose what made America great in the first place Our concept of the rule of law disappears and the elite play by different rules than the rest of us The belief that our rights come from God is removed Our rights then can be twisted manipulated or stripped
