Hoboken Self Guided Walking Tour:

The Desk from Hoboken ML Condike,2024-03-05 In a bid to heal from the grief of a personal loss forensic genealogist RaeJean Hunter takes on a straightforward case identify human remains found on a nearby college campus believed to be the 180 year old remains of Mary Rogers a woman who died mysteriously in 1841 and was believed to have been buried in the nearby cemetery that had washed away It should be simple enough a project to get her back in the game Unfortunately it quickly becomes anything but In fact it becomes downright dangerous Someone doesn't want RaeJean to investigate the puzzling death of the woman whose death inspired Edgar Allan Poe's The Mystery of Marie Roget As she follows clues through four states and discovers living family members who both help and hinder her search she quickly realizes that the secrets of Mary Rogers demise were never meant to be exposed What lengths will someone go to keep the truth buried in the past As threats escalate and RaeJean and her family's lives become endangered she's forced to follow every lead and use every skill she has to find the answers she needs before it's too late Using DNA from two famous New England families historical data modern genealogical techniques and a little guidance from a seemingly mystical antique desk RaeJean takes on the cold case despite being given every reason to abandon it After all what truths have been hidden for 180 years that would be worth bribery kidnapping and even murder RaeJean Hunter is about to find out **THE DESK FROM HOBOKEN** by ML Condike is a combination of historical fiction forensic genealogy cozy mystery and magical realism If you are a fan of the Lucy Lancaster Genealogy Mysteries by SC Perkins the Sweeney St George Mystery Series by Sarah Stewart Taylor the Jefferson Tate Mystery Series by Steve Robinson or the Torie O Shea Mystery Series by Rett MacPherson then you're sure to enjoy **The Desk from Hoboken** [Lonely Planet USA](#) Lonely Planet,Benedict Walker,Kate Armstrong,Brett Atkinson,Carolyn Bain,Amy C Balfour,Ray Bartlett,Greg Benchwick,Andrew Bender,Sara Benson,2018-04-01 Lonely Planet The world's leading travel guide publisher Lonely Planet USA is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Gaze into the mile deep chasm of the Grand Canyon hang 10 on an iconic Hawaiian wave or let sultry southern music and food stir your soul all with your trusted travel companion Get to the heart of the USA and begin your journey now Inside Lonely Planet USA Travel Guide Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience including history art literature cinema music architecture politics landscapes national parks wildlife cuisine and wine Covers New England New York the Mid Atlantic Florida the South Great Lakes Great Plains Texas Rocky Mountains Southwest Pacific Northwest California Alaska Hawaii and more eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps
