How To Apply For Lephalale College 2016:

The Promise of Planning Philip Harrison, Alison Todes, 2024-07-10 The Promise of Planning explores the experience of planning internationally since the global financial crisis focusing on South Africa The book is a response to a decade plus in which state led planning has re emerged as a putative means for achieving developmental goals as indicated in global initiatives such as the New Urban Agenda and where planning in South Africa has consolidated in terms of its legal and policy basis However the return of planning is happening in an inauspicious context with economic fragilities technological shifts political populism institutional complexities and more threatening to upturn the new promise of planning The book provides a careful analytical account of planning in South Africa and how and why its promises have been difficult to achieve Building on the authors previous book Planning and Transformation the book sheds light on planning as an increasingly complex and diverse governmental practice within a perpetually changing world It can be used as a resource for planners who must make good on the new promise of planning while navigating the risks and threats of the contemporary world as well as students and faculty interested in international planning debates and the South African case
