Handbook of Research on Digital Innovation and Networking in Post-COVID-19 Organizations Pego, Ana, 2022-06-24. Businesses have had to face many challenges due to the COVID-19 pandemic to survive in the changing landscape; they had to adapt quickly and implement new tactics and best practices to stay competitive. Networking is one of the many areas that looks vastly different in a post-pandemic world, and companies must understand this change or risk falling behind. Further study is required to uncover the various difficulties and potential future directions of networking and innovation within the business landscape. The *Handbook of Research on Digital Innovation and Networking in Post-COVID-19 Organizations* provides a thorough overview of the ways in which organizations have had to change and adapt to the new business environments and considers how networking looks different in a post-COVID-19 world. Covering key topics such as organizational structures, consumer behavior, teleworking, and collaborations, this major reference work is ideal for managers, business owners, industry professionals, policymakers, researchers, scholars, academicians, practitioners, instructors, and students.
