Intuition Knowing Beyond Logic:

Intuition Osho, 2007-04-01 Discover your own deep well of wisdom in Intuition Knowing Beyond Logic from one of the greatest spiritual teachers of the twentieth century Intuition deals with the difference between the intellectual logical mind and the more encompassing realm of spirit Logic is how the mind knows reality intuition is how the spirit experiences reality Osho's discussion of these matters is wonderfully lucid occasionally funny and thoroughly engrossing All people have a natural capacity for intuition but often social conditioning and formal education work against it People are taught to ignore their instincts rather than to understand and use them as a foundation for individual growth and development and in the process they undermine the very roots of the innate wisdom that is meant to flower into intuition In this volume Osho pinpoints exactly what intuition is and gives guidelines for how to identify its functioning in others and ourselves You will learn to distinguish between genuine intuitive insight and the wishful thinking that can often lead to mistaken choices and unwanted consequences Includes many specific exercises and meditations designed to nourish and support each individual's natural intuitive gifts Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Into the Pure ... Tim Nicholls, 2017-06-01 You have a hidden power and with it you can learn how to create a better life This hidden power is your intuition and as Albert Einstein once said The intuitive mind is a sacred gift and the rational mind a faithful servant We have created a society that honors the servant and has forgotten the gift But how do we rediscover our intuitive minds How can we harness this hidden power and realize our potentials In Into the Pure author Tim Nicholls shares the key to his adventures vitality and experiences and he explains how he unlocked the way that led him toward an intuitive understanding of spiritual empowerment Being open to your own intuitive mind is about being open first to the spiritual dimension the real you And focusing on your inner self feeling your body's mindfulness and developing meditative skills will give you the power to hear and interpret the intuitive messages emanating from within From there the spirit the energy of life the self will become paramount to your understanding of your being You will discover how it can answer all things Developing your intuition is about empowerment and working into the pure energy of your being and this intuition is the way your inner self communicates It will point the way in your life with amazing power You need to get to know it as a close friend as another voice in your life shining from within
