Inuit Shamanism and Christianity Frédéric B. Laugrand, Jarich G. Oosten, 2010-01-01 Using archival material and oral testimony collected during workshops in Nunavut between 1996 and 2008 Frédéric Laugrand and Jarich Oosten provide a nuanced look at Inuit religion offering a strong counter narrative to the idea that traditional Inuit culture declined post contact They show that setting up a dichotomy between a past identified with traditional culture and a present involving Christianity obscures the continuity and dynamics of Inuit society which has long borrowed and adapted outside elements They argue that both Shamanism and Christianity are continually changing in the Arctic and ideas of transformation and transition are necessary to understand both how the ideology of a hunting society shaped Inuit Christian cosmology and how Christianity changed Inuit shamanic traditions *Inuit Shamanism and Christianity* Frédéric B.
