American Indians at the Margins H. Roy Kaplan, 2022-05-11 Since the earliest days of America racist imagery has been used to create harmful stereotypes of the indigenous people In this book the conflict between invading European white settlers and the indigenous groups who occupied the land that became the United States is described through the context of race and racism Using depictions from art literature radio cinema and television the origin and persistence of such stereotypes are explained and their debilitating effects on the well being of Indians are presented This text also explores their accomplishments in attempts to maintain their sovereignty dignity and respect ISIS Brian L. Steed, 2016-06-20 Providing up to date information for general readers as well as those well informed about the Islamic State this book offers an essential understanding of the rise of ISIS and its current influence in the Middle East as well as worldwide ISIS also referred to as ISIL the Islamic State or Daesh began to assert its power and gain recognition for its militant and terroristic activities in April 2013 After the coordinated attacks in Paris on November 13th 2015 ISIS has captured the full attention of observers in the West This accessible book explains what ISIS is what the group's goals are what their members believe and why their ranks are growing Readers will gain an understanding of how ISIS is a unique group one seeking to be the army of the righteous fighting to defeat the unbelievers and usher in the end of days but that the extremist views of ISIS are an expression of a growing frustration with life in the Middle East and elsewhere shared by a larger community of non state and

post state actors The book provides an introduction that documents the origins of ISIS within the larger Al Qaeda organization during the Iraq War The following chapters discuss the origins development and territorial expansion of ISIS in Syria and Iraq and examine the ideological motivations behind the emergence of ISIS thereby enabling a nuanced understanding of the importance of ISIS in contemporary history Other entries discuss individuals events and organizations that put ISIS in historical context in terms of contemporary events since the Iraq War into the present and explain the group's position within the complex conflict currently boiling in the Middle East

The Arc of Life Grazyna Jasienska,Diana S. Sherry,Donna J. Holmes,2017-01-03 Given the rapidly developing area of evolutionary medicine and public health The Arc of Life examines ways in which research conducted by biological anthropologists can enrich our understanding of variation in human health outcomes The book aims not only to showcase the perspective that biological anthropologists bring to the burgeoning field of evolutionary medicine but to underscore the context of human life history especially the concept of evolutionary trade offs and the ensuing biological processes that can affect health status over the life course This dual emphasis on life history theory and life cycle biology will make for a valuable and unique yet complementary addition to books already available on the subject of evolution and health The book consolidates diverse lines of research within the field of biological anthropology stimulates new directions for future research and facilitates communication between subdisciplines of human biology operating at the forefront of evolutionary medicine

Unsavory Truth Marion Nestle,2018-10-30 A James Beard Award winner and the author of What to Eat and Soda Politics leading nutritionist Marion Nestle exposes how the food industry corrupts scientific research for profit Is chocolate heart healthy Does yogurt prevent type 2 diabetes Do pomegranates help cheat death News accounts bombard us with such amazing claims report them as science and influence what we eat Yet as Marion Nestle explains these studies are more about marketing than science they are often paid for by companies that sell those foods Whether it s a Coca Cola backed study hailing light exercise as a calorie neutralizer or blueberry sponsored investigators proclaiming that this fruit prevents erectile dysfunction every corner of the food industry knows how to turn conflicted research into big profit As Nestle argues it s time to put public health first Written with unmatched rigor and insight *Unsavory Truth* reveals how the food industry manipulates nutrition science and suggests what we can do about it

Fourteen Points for the Twenty-First Century

Richard H. Immerman, Jeffrey A. Engel, 2020-06-23 When the United States entered World War I President Woodrow Wilson declared to Congress that the objective was not merely to bring a new balance of power but rather to bring a just and secure peace to the world by the end of the conflict In this famous speech known as The Fourteen Points Wilson offered the world a road map toward a more equitable international system in the midst of unprecedented global conflict including ideas on the interconnectedness of democracy trade and the concept of a forum for peaceably resolving international disputes Even decades after the end of the First World War Wilson's ideas remained important and influenced many of his successors But now in the twenty first century there are forces at work in the world that Wilson could never have imagined and those forces call for a new plan toward peace In Fourteen Points for the Twenty First Century A Renewed Appeal for Cooperative Internationalism Richard H Immerman and Jeffrey A Engel bring together a diverse group of thinkers who take up Wilson's call for a new world order by exploring fourteen new directions for the twenty first century The contributors scholars policymakers entrepreneurs poets doctors and scientists propose solutions to contemporary challenges such as migration global warming health care food security and privacy in the digital age Taken together these points challenge American leaders and policymakers to champion an international effort not to make America great again but to work cooperatively with other nations on the basis of mutual respect Abeloff's Clinical Oncology E-Book John E.
